Turkey leg traditions

By Julie Carter

In the periphery, there are bets on football games and plots for spending vacation time from school classes. Paintball wars, cattle workings, roping, skiing and lots and lots of eating, napping, visiting and family togetherness.

Somehow, a turkey drumstick, dressing and of course the traditional pumpkin pie, still have the power to bring the family home, even from afar. Almost nothing that takes place on Thanksgiving couldn't happen on another day of the year. I'm fairly sure the Pilgrims at the first such event didn't look at the calendar and say, "Let's do this on a Thursday in November. Is that good for you?"

So what is it really that keeps us coming back to the historical observance of collecting a crowd, cooking up everything in the house and eating until it's gone and we are moaning our way back to our teepees and cabins.

I believe it is the tradition that brings families together year after year, under all circumstances. Dinner is the bonus. And rural America remains steeped in tradition for many things, but none more than a traditional holiday.

We don't get too revved up about President's Day, Mother's Day (except to hold a branding) and Secretary's Day, but give us the 4th of July, Thanksgiving and Christmas and we'll show you down-home country tradition.

There are a few folks that hold with the thought that the pilgrims more than likely ate chicken-fried elk steak and chose to follow that menu instead of de-feathering a fowl.

Others have sought a variation to the roasted turkey bird and opted for the deep-fried version. This cooking method generated a retail Tsunami of turkey deep-fryers followed by the landslide of warnings about how the combination of fire and hot oil can quickly turn a fryer into a vertical flame thrower.

Family traditions will again be orchestrated by mothers in the way they were indoctrinated to the holiday. They will roast turkeys, hams or a side of beef, make a variety of dressing (or stuffing), potatoes, gravy, rolls and of course pies.

Families will sit around big tables stretched to the limit, with extra chairs, benches, and maybe even a flour barrel set in place for a short kid to sit on.

As families grew and scattered to the zip codes far and wide, the changes came in location, but not in traditions. It's not quite like the days of old when "over the river and through the woods, to Grandmother's house we go" offered images of horse-drawn sleighs and piles of snow. We've evolved to pickup trucks, baby car seats, long miles of paved highways in a snow-free Southwest.

But the destination promises the same as the song:

Over the river, and through the wood —

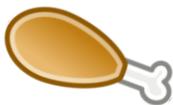

Now Grandmother's cap I spy!

Hurrah for the fun! Is the pudding done?

Hurrah for the pumpkin pie!

Enjoy your holiday, before, during and after the turkey.

You are making memories you don't yet have.

A new survey found that 80 percent of men claim they help cook Thanksgiving dinner. Which makes sense, when you hear they consider saying that smells good to be helping.

Last Thanksgiving I shot my own turkey. It was fun. That shotgun going, Blam! Everybody at the supermarket just staring. Why track them when I know where they are?

Bring a friend and you both will get a free card, plus November birthday folks will receive 2, and a *Happy Birthday* dauber. Diane Greenholdt and the Bingo crew

BRIDGE ANYONE? Trails West has a large group of bridge players but we are always looking for more people to join us. Some of our members have moved away and some are seasonal. We sometimes experience difficulties filling tables and are recruiting new members to join us, either as permanent players or as occasional substitute players. We have games on Tuesdays, Thursdays and Sundays. If you are a beginner or haven't played for a while, no problem - we will work with you. We are not a "pressure" group and are only interested in enjoying the fun and challenges that the game of bridge offers. For more information, call Marian Ford, 652-3220, Rae Hoff, 405-9710.

BOCCE BALL: We will be changing over to our winter schedule as of Nov. 1st. The start time will change from its current 9 am to 1 pm, Monday through Friday, weather permitting. We are located behind the pickle ball court and everyone is welcome. The game is easy to play and the rules are easy to follow. It is not physically demanding, but it's a lot of fun. Any number from 2 to 8 can play, and there is always someone available to help out if you need a few pointers. Those with physical disabilities are encouraged to stop by to play or just to keep an eye on us to make sure we don't cheat. Interested parties don't have to register or sign up for anything. Just show up on any weekday at start time whenever it's convenient for you. Play or not play, you will find a great bunch of people, get a little exercise, and maybe make a few friends. If you need information call: Tony De Piazza 523-3975 or Dave Maxwell 382-0555.

PICKLE BALL ANYONE? - Interested in learning the game? Virginia of Meerscheidt Recreation Center who is a member of the Pickle Ball Association & has won tournaments in August her partner, Laura & she won a bronze at the Senior Olympics in Albuquerque. She will be here September 10th at 8:30 at the court to teach anyone interested in learning the game. Then if we have enough interested, we will meet every

Wednesday @ 8:30AM for 8 weeks. Come out and learn a fun game. If you have any questions contact Celia Saldana at (909)-720-9474.

TRAILS WEST RESIDENTS !

PLEASE REMEMBER ANY TIME YOU ARE GOING TO HOSTING A FUNCTION IN THE MAIN ROOM OF THE CLUBHOUSE THAT INCLUDES PEOPLE COMING FROM OUTSIDE TRAILS WEST COMMUNITY, YOU MUST HAVE A “WATCHER” IN PLACE TO MAKE SURE FOLKS ARE GOING TO THE MAIN ROOM AND NOT OTHER ROOMS. SHOULD YOU NOT HAVE A “WATCHER” IN PLACE DURING YOUR FUNCTION; THE HOST(S) FOR THE EVENT WILL BE HELD RESPONSIBLE FOR ANY DAMAGE OR THEFT DONE IN OTHER ROOMS. Management

DIRTY WATER: Las Cruces Utilities provides gas, water, wastewater and solid waste removal to Trails West. So, when you experience dirty water coming into your home, you need to inform the City of Las Cruces right away while running your water in the home until clear. The City of Las Cruces needs to hear directly from the person(s) being affected. Not every home at the same time gets this problem. This helps the City of Las Cruces to locate where an issue needs to be addressed. Trails West is on the City of Las Cruces water system and dirty water can stem from anywhere in the City of Las Cruces which might have a break in their lines. Once they repair a line, when they re-attach the lines friction from the water breaks loose minerals that have built up and pushes them down the line. Please call the City of Las Cruces any time you have dirty water problem at (575) 526-0500. Trails West may pay for your water though the City of Las Cruces is the source of water and they don't know there is an issue, they cannot help to correct the problem. The City of Las Cruces does not want to hear from Trails West, they NEED to hear from the affected party. PLEASE NOTE: Water leaks are not a city emergency that is a Trails West issue. So call Ruben at (575)639-3566. Management

It has been brought to our attention that some residents are letting their dogs run without a leash. Also they are not picking up their dogs waste. Please clean up after your dog, no matter where they potty,

and keep them on a leash.... Per the Guideline for Living – Pet Playground coming soon!!!!

Exercise Room: We have had some cracks on the plastic pieces on the treadmills that have been replaced, please be aware that you need to move back on the treadmill while exercising and not step on this piece. Thank you, Management

OUTSIDE VISITORS AND CHILDREN VISITING: Trails West guidelines state: Guest staying 72 hours or longer must be registered at the management office to obtain guest identification, and guests are NOT ALLOWED to bring pets into the community. Also management has noticed that some children are not being accompanied by the resident, and have been playing on golf carts and bikes. PLEASE, DON'T ALLOW THIS, THIS IS AN ACCIDENT WAITING TO HAPPEN... Questions? Please come to the Trails West Office. Management

ATTENTION, ATTENTION, ATTENTION: A friendly reminder to please wait until the postal delivery person has left the boxes before going to get your mail. WHY??? In order for them to get their job done efficiently, safely, and quickly everyone needs to stay away from the mailboxes until the vehicle has left the area. We have a box for outgoing mail on the counter at the office if you need it to go out and they are already at the boxes. The last thing they do is pick up the mail at the office before leaving the community. **DO NOT INTERFERE WITH THE POSTAL EMPLOYEES WHEN THEY ARE BOXING THE MAIL.** Please remember that at least once a week, sometimes more often, we have a “temp” postal worker. They are usually new and don't have the “kinks” worked out and so very often, just about the time we get a “temp” postal worker who has our community working well, they transfer to another route because we are so very tough on them. We need to have patience, please; they are doing a job and hopefully doing it to the best of their ability. We need to be considerate if they are late or slow; they are trying to do the best job they can if we will only let them. **If you are ready to pick up your mail and the mail person has not finished, please do not park on the street nor near the boxes. Please park in the parking spots in the clubhouse parking lot, to lessen any visual or physical hazards.** Thank you for your attention to this matter. Trails West Management. ***If you are receiving mail again and again addressed to “current resident” though it has your address, if you do not want it, throw it away! By law, the post person MUST deliver to the address!***

The Flags! The Flags! Where are you from? It's time to put up your flag from where you hail! We have new flags, and new pens to put your number on them with! Where were you born? Where did you go to school? Where did you raise your family? Or maybe, where did you come

from before joining Trails West? Let's fill up the map once again with who and where!! Come into the office and get a new flag for the map!

CANS: Remember to help the Trails West Activity Fund, aluminum cans that are rinsed out, can be taken to 107 Happy Trails South, and leave them by the driveway porch. **Please no food cans, those are tin, NOT aluminum! Thank you, Tom Elkin**

CLEAN BAGS FOR THE SOUP KITCHEN: Clean bags for the soup kitchen can be left at 334 Day Dreamer Drive in the container at steps near the fire hydrant, or at the Trails West office.

GLASS Jars with lids, also needed for the Soup Kitchen, They can be put in the tote next to the container for the clean bags, at 334 Day Dreamer Drive. June Damuth 647-1268.

TRAVELING FORMS: It's highly recommended by the Trails West Management that you turn in a "Traveling Form" when you will be out of town. The forms are at the end of the counter in the clubhouse at all times and you will also find mail hold cards should you need them!

Library: When you return books, donate books, or are just looking and it is difficult to reshelv, please place books in the basket by the fireplace. We have received a large donation of hardback large print books; they are placed on the bottom shelf, below the non-fiction books. So come check them out.

Are you pouring the last cup of coffee? Please turn off the pot! The next group in will really appreciate it!!!

THE SPEED LIMIT IS: THE SPEED LIMIT IN TRAILS WEST IS **15 MPH!** Please observe the posted speed limit and advise your visitors and workers.

DO NOT ATTEMPT TO PASS VEHICLES AT THE GATE HOUSE, HAVE PATIENCE!!! The greeters are doing their best to keep us safe, keep traffic moving, give out information quickly, and be aware of the people who are entering our community. **Residents, please make sure you have a window sticker, PLEASE don't just drive through...**

PLEASE BE CAUTIOUS! WATCH FOR BIKES, MOTORIZED CHAIRS, AND PEOPLE WALKING; ESPECIALLY AT NIGHT, AND VICE VERSA, PLEASE WATCH FOR CARS TOO....

ATTENTION: 911 EMERGENCY MAY ALWAYS BE CALLED FROM THE PAYPHONE IN THE CLUBHOUSE.

Here in Trails West we need to be courteous to each other, we have had some complaints about people running into the neighbors carports and landscaping. All we ask is that if you do damage to your neighbors property to let that person know what happened.

HOW ABOUT A BUDDY SYSTEM? Please think about your neighbors, especially those that are alone! Figure out a buddy system to let each other know that all is ok each day!!! It could be as simple as a light on or off. In Trails West there isn't anyone who isn't a neighbor!!

WILDLIFE: Dona Ana County Animal Control should be contacted if you are having problems with the feeding of wildlife. They will be the ones to determine whether it is a safety issue. And, city code states that feeding the wild animals (feral cats included) is a code violation.

PARKING: Remember on-street parking is not allowed at night for extended periods of time! Do not leave your vehicle on street overnight.

RECYCLE BINS (Blue Containers): We all need to be considerate of everyone in Trails West that is recycling. Please break-down your boxes before placing them in the recycle bin, by breaking them down allows everything to sift and creates more space, also perhaps if you see someone not breaking them down or having troubles, jump in and lend a hand. Also make sure that only recycle products are deposited in the bin. Thank you Trails West Management.

THINGS THAT DON'T BELONG IN RECYCLE BINS ARE: Styrofoam, household appliances and objects, and NOTHING in bags.

PETS: There is the common area with grass and pooper scoopers available by the front entrance and new pet stations in place! **Do not allow your pet to use other residents' yards.** Residents who are having a problem with others letting their pets use their yard for a bathroom, Ruben recommends using Animal Repellant around the perimeter of the yard. This product helps to tell the pet this is not a bathroom and will not hurt the pet either. The animal repellant encourages pets to go elsewhere to do their business. All pets must be leashed and may not be left unattended outside. **Please remember that pets are NOT allowed in the fenced area around the pool, or around the Bocce Ball, Pickle Ball courts. Please do NOT walk your pets in these areas!!**
Management

SERIOUS BUSINESS!!! Over the years, it is easy to forget who you might have inadvertently shared your private 4 digit code. Realistically, you should be the only one who has and uses your 4 digit code. Sometimes, in a pinch it could have been shared with a worker, delivery person or such and they really should NOT have it! And, you just do not know who they may have shared it with. **IT IS VITALLY IMPORTANT THAT YOU KNOW FOR SURE THAT YOUR CODE HAS NOT BEEN COMPROMISED.** If you have any doubt at all, please stop by the Trails West office and Leigh will gladly change it for you.

YARD DEBRIS; Please remember that the Trails West maintenance crew picks up yard debris every Thursday afternoon. They do not pick up regular trash which needs to be disposed into the trash dumpster for regular pickup by the City of Las Cruces.

~~~~~  
**DO NOT BLOW YOUR LEAVES TO THE STREET - IF YOU MUST, PLEASE SWEEP THEM UP AND BAG THEM SO THEY DO NOT BLOW INTO YOUR NEIGHBORS YARD. RUBEN RECOMMENDS BLOWING THEM TO THE BACK OF YOUR HOME AND THEN BAGGING THEM FOR PICKUP ON THURSDAYS. THANK YOU AND YOUR NEIGHBORS THANK YOU AS WELL!!!**  
~~~~~

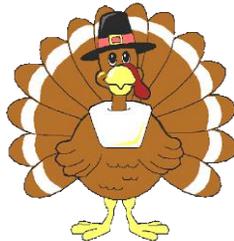

Outside companies, workers, etc: When you hire someone to work in your yard or in your home, part of what you pay for when you receive the service is disposal. Many residents have reported finding debris from jobs at the dumpsters when it should have been hauled away by the person doing the work. Please make sure anyone you may hire hauls away any trash, debris left from the job, out of the community.
